

RAVEN REPORT
NOVEMBER 2007

1. A friendly reminder to coaches and parents that our program puts less emphasis on winning and more on the players having fun, getting exercise and displaying good sportsmanship. We want the players to want to come to floor hockey each and every Saturday during the season. Parents should encourage their child(ren) to do their best and always give positive reinforcement about their play. Coaches should also stress the positive and treat each player fairly-equal playing time and rotation of positions whenever possible. If a player wishes to play different positions he/she should be given the opportunity. If a coach always put his best players at center and keeping them on the floor most of the time, this would not be fair not only to the other players on the team but also this would not be fair to the opposing team whose players are being rotated and being given equal playing time. Winning is nice but should not be "the end all and be all".
2. Your support of our weekly 50/50 draw is greatly appreciated. The funds raised will go towards our wrap-up party at year end. Once again, thanks for your continued support of our program.
3. We are carefully watching the scores of the games and will probably have to make a few changes in some of the divisions. We need to do this in order to make sure that there is a competitive balance in the league amongst the teams in each division.
4. We do not mind you enjoying your favorite beverage while watching the games but please deposit your empty container(s) in the garbage. Also if you happen to spill your beverage please let us know so we can clean up the area as soon as possible.
5. If you have any concerns or suggestions please do not hesitate to talk to your convenors. They will listen and take corrective action where deemed necessary. We have already made some changes this year based on the feedback of the coaches/parents. We want this league to be the best it can be!!!!
6. If you are planning sport purchases please remember to use your National Sports card.(given at registration). A percentage(5%) of each sale is donated back to our organization. If you want a card, let us know.
7. We would like to thank the following sponsors for their financial contributions to our floor hockey program.
