

RAVEN REPORT
NOVEMBER

1. Our website address is sport-fest.ca. Sportfest Windsor , an organization whose main mandate is to promote organ donation awareness, has allowed us to use their website to promote our program. On this website you will find: Schedules, Newsletters, Registration Information, Playing Rules, Names of Sponsors, Board of Directors , Convenors, and information about upcoming special events. Please refer to this website on a regular basis for information about our program. This website will be updated on a regular basis throughout the floor hockey season and during the off season as well. If you have are having problems accessing the website please let us know.
2. We will be having our 50/50 raffle only once a month this year. The raffle will be on the last Saturday of the month. The tickets are only 3-\$2.00. Proceeds from this fundraiser will go directly to our wrap up party at the end of the year.
3. We were able to keep our rates this year at \$75.00. Even though our main source of fundraising(bingos) has declined in the last year few years we were able to keep our rates the same. One of the reasons we are able to keep our rates the same is due to the generosity of our sponsors. Please support our sponsors whenever possible. A list of sponsors appears on our website and will be posted in both gyms in the near future. If you know of a person or business who would like to donate to our program please let us know. We are a non profit organization whose main aim is to provide a quality floor hockey program at an affordable cost. The rate that we set reflects the costs of running the program(uniforms, equipment, referees, and facility rental) and the funds that we raise through fundraising, sponsorships, donations and registration fees.
4. If you bring drinks/food into the gyms, please dispose of properly. If you spill your drink, please let us know so we can mop it up. Remember we are renters in this fine facility and should try to keep it as clean as possible.
5. If you have any questions or concerns in regards to our program please do not hesitate to ask any board member. We believe in a “hands on” approach and we are on site every Saturday to make sure the program runs smoothly and to handle any problems that may arise during the games.
6. Our referees are new this year and are doing their best during the games. Please be patient. We supervise them weekly and let them know in what areas they need improvement. If you have any concerns about the officiating please let us know so we can take the necessary steps try to correct if warranted. There is no need to yell or scream at them during the game-this does not help matters-it just makes matters worse. This has not been a problem this year-thanks to the coaches and spectators for your excellent conduct during the games. It is refreshing to see that all seem to be having a good time and have a very positive attitude.
7. All future newsletters and information will appear on our website-sport-fest.ca. If you do not have access to a computer please let us know and we will make sure that you get the needed information.
