ORGAN DONATION AWARENESS EVENT
Organ Donor Awareness walk to
London April 27th. by Tom & Roger Awad

SPORT FEST WINDSOR NEWS

Choristers Grab Class "F" Title 23-1

Elated Choristers Recount Title Exploits

Joy was unconfined yesterday at George Ave. Park for Columbian Boy Choristers after they walloped Nantais Sport Shop 23-1, to capture the class "F" championship of the Windsor Amateur Baseball Federation. Here Choristers' Coach Charles Huggard (right) discusses the happy occasion with two of his stars, Hank Czerwiec (left) who poled out three hits and drove in four runs, and Jack Schroeder who shackled the Nantais team with five hits

Did you know that?

Anyone at any age can become an organ and tissue donor. The oldest organ donor on record was over 90 years of age and the oldest corneal donor was 102 years old.

Only patients who have suffered brain death in hospital can become organ donors because vital organs must be maintained artificially by a ventilator so they can be transplanted. However, only those whose hearts have stopped and cannot, therefore, be artificially supported by a ventilator (the heart and lungs have stopped working), can become tissue donors.

Most religions support organ donation as an act of kindness.

Organ donation does not preclude an open-casket funeral. When clothed, the body shows no outward sign of surgery.

Transplants can save health care costs: the cost of a kidney transplant averages \$20,000 plus \$6,000 per year thereafter (\$50,000 over five years). Maintaining a kidney patient on dialysis costs \$50,000 per year (\$250,000 over five years).

To find out more about registering your consent, please contact the Ontario transplant program:
